

# Sponsorship Opportunities for this year's

**YOUR SPONSORSHIP WILL HELP OFFSET THE COST OF THE ENTERTAINMENT AND HELP INCREASE THE PROCEEDS TO HELP HOLY CROSS ACHIEVE ITS MISSION THANKS FOR YOUR SUPPORT!**

Holy Cross High School's mission is focused on setting high expectations for students; demanding everything students can give and accepting nothing less. Our philosophy is that all students, despite varying ability, are capable of satisfying these high expectations given personalized education, small class sizes, and a layered curriculum that meets needs at all academic levels. For this reason, we have adopted the motto, "A Size for All", which symbolizes our efforts, through our diverse academic and co-curricular programs, to give students the opportunity to achieve academically, to excel athletically, and to participate in numerous clubs and organizations. While Holy Cross is small in size, it is large enough to offer programs and services found at much larger schools. Meeting the needs of all students is our commitment.
